Summer 2023

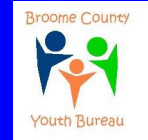

Free Supervised Playground Program

The Town of Vestal Recreation Department would like to invite your kids to spend a morning, afternoon or both in the park. A variety of crafts, games, literature, and special events will be provided for their enjoyment. Make new friends and create new memories. **All supervised playground activities are free and open to boys and girls ages 5 & up.** Children younger than five years are welcome to attend, but they must be accompanied by an adult.

Register online at Vestalny.myrec.com Login or create an account with your household information and add all the members of your household. Next, register for the playground that your child wants to attend. By registering online and filling out your cell phone number, we can text you any program updates due to the weather. The playground is a free drop-in program and even though the participants may not choose to attend every day, it is required to register.

Inclement weather sometimes forces us to close the parks. If it appears to be an all-day rain we will close the parks. If there is a storm during the program hours, for safety reasons, we will close the playground and send the children home. We may also close due to extreme heat warnings. We can text you any closing updates, but you must register online at Vestalny.myrec.com. See below for park sites and times.
